Subject Index 1993

Adolescents
Adolescents with Cancer: Are They at Risk for Suicide?, 22
Health Behaviors of Adolescent Male Football Athletes, 395

Childhood Safety Education
Latex Ballons: They Can Take Your Breath Away, 39
Strength Training and the Immature Athlete: An Overview, 325
Sports-Related Injuries in Youths: Prevention is the Key — And Nurses Can Help!, 333
Bicycle Safety Programs: Targeting Injury Prevention Through Education, 343
A Developmental Approach to Childhood Safety Education, 464

Clinical Procedures
Clinical Applications of Pulse Oximetry, 150
Technical Update Brief: The Child With a Chest Tube, 370
Comparison of Two Skin-Level Gastrostomy Feeding Tubes for Infants, 351
A Pediatric Protocol for Management of Extravasation Injuries, 359

Continuing Education by Topics*Death and Dying*
Factors Influencing Nursing Care of Children Who Are Terminally Ill, 9
Children's Literature: The Death Experience, 17
Adolescents with Cancer: Are They at Risk for Suicide?, 22

The Process of Change on Pediatric Critical Care Units
Metabolic Screening in the NICU Population: A Proposal for Change, 109
Disaster Preparedness fot the ICN: Evolution and Testing of One Unit's Plan, 122
Parental Stressors in a Pediatric Intensive Care Unit, 128

Managing Pediatric Pain: An International Concern
Pediatric Pain Assessment: Validation of A Multidimensional Tool, 209
Pain Location: Validity and Reliability of Body Outline Markings by 4 to 7-year-old Children Who Are Hospitalized, 217
Care of Infants After Major Surgery: Observation of Behavior and Analgesia Administration, 221

Sports-Related Injury Prevention
Strength Training and the Immature Athlete: An Overview, 325
Sports-Related Injuries in Youths: Prevention is the Key — And Nurses Can Help!, 333
Bicycle Safety Programs: Targeting Injury Prevention Through Education, 343

Infectious Disease
Tuberculosis in Infants, Children, and Adolescents: New Dilemmas With An Old Disease, 437
Should There Be Universal Childhood Vaccination Against Hepatitis B? Part 1: Commentary, 447
Should There Be Universal Childhood Vaccination Against Hepatitis B? Part 2: A Rebuttal, 451
Registered Nurses' Use of Universal Barrier Precautions in the Pediatric Emergency Room, 453

Addressing Contemporary Problems in Pediatric Nursing Care
Broadening the Scope of Nursing Practice: Federal Assistance Programs for Children, 546
Participants' Perceptions of a Mandated Training Course in the Identification and Reporting of Child Abuse, 554
Nurses as Gangbusters: A Response to Gang Violence in America, 559

Departments*Calendar of Events*
93, 174, 313, 424, 443

Critical Care/Neonatal Update
More on RSV and Ribavirin, 89
Clinical Applications of Pulse Oximetry, 150
A Closer Look at Septic Shock, 289
Technical Update Brief: The Child With a Chest Tube, 370
High and Dry — Low and Wet: The Key to DI and SIADH, 478
Kawasaki Disease: Early Treatment/Positive Results; One Family's Story, 607

Dialogues in Ethics and the Law
End of Life Care for Infants with AIDS: Ethical and Legal Issues, 79
When Parents Demand "Everything," 180
Confronting Unsafe Practice: Ethical and Legal Issues, 284
Balancing Personal Risk With Professional Responsiblity: The Case of AIDS, 18
Child Neglect in Home Care: Weighing Legal and Ethical Issues, 496

From the Editor
Children's Hospice Care: More Than a Place or a Concept, 6
The Informatics Age Is Upon Us, 110
International Research and Humanitarian Partnerships to Ease the Pain, 206
International Recognition of the Family, 322
The Opening Pitch in the Health Care Reform Playoffs, 434

Items of Interest
76, 154, 244, 363, 492, 592

Legislative Update
Clinton's Pledge: "Helping America's Children," 88
The Health Care Safety Net, 158
Immunizing America's Children, 281
Federal Initiatives Focus on Fetal and Childhood Development and School Nursing, 398
Advocating for Children of the World, 526
The Health Security Plan: What's in it for America's Children, 589

Pediatric Drug Information
Flumazenil (Mazicon/Romazicon), 163
Lidocaine 2.5%/Prilocaine 2.5% EMLA Cream, 484
Felbamate (Felbatol), 630

Pediatric Home Care
Care in the Absence of Primary Caregivers, 49
Home Management Related to Medical Treatment for Childhood Gastroesophageal Reflux, 167
Clarifying Roles and Expectations in Home Care, 374
Pediatric Skin Care Issues for the Home Care Nurse, 499
Nurse and Parent Collaborative Case Management in a Rural Setting, 612

Pediatric Management Problems
Tuberculosis, 52
Urinary Tract Infection, 184
Diabetes Mellitus, 246
Iron Anemia, 378
Bronchitis, 490
Fragile X Syndrome, 622

Practice Applications of Research
The Effect of Two Forms of Learning Reinforcement Upon Parental Retention of CPR Skills, 96
A Comparison of Growth Patterns in Breast and Bottle-Fed Infants with Congenital Heart Disease, 175
The Accuracy of Tympanic Temperature Measurement in Children, 267
Heparin vs. Saline for Peripheral IV Locks in Children, 405
The Gulf War: Pediatric Emergency Room Function, 521
Patterns of Physiologic and Behavioral Response of Intermediate Care Preterm Infants to Intervention, 625

Professional Perspectives
Caring for Families Who Follow Alternative Health Care Practices, 71

Join us at the
1994 MCN Convention

MARCH 6-9, 1994
HYATT REGENCY, DALLAS

- **4 Keynote Sessions**
- **Concurrent Sessions on maternity/perinatal, neonatal and pediatric nursing topics**
- **Preconference programs**
- **Poster sessions** • **Film sessions**
- **Networking groups** • **Exhibits**
- **Social events**

Sponsored by *MCN, The American Journal of Maternal/Child Nursing,* a publication of the American Journal of Nursing Co.

Please call Asia Kaftan at (914) 421-3200 for details and brochure.
